

Workshop Outline

CRYSTALS 101

WHAT IS IT ABOUT?

Whether you practice magic or not, chances are you feel the intriguing 'pull' of crystals, whether for their colour, their tactile feel, or their beauty. But what is the magic attraction of crystals, and how can we use these marvellous minerals to enrich and heal our lives?

WHO WILL LOVE IT?

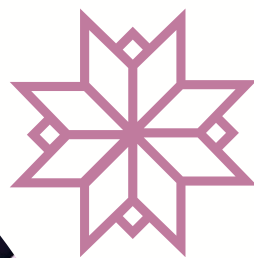

Anyone, from teens to seniors, with an open mind and an interest in magical and mystical concepts. We will explore history, energy, and practical use of crystals in a light and engaging way, allowing you to take a personal holistic approach to the benefits of working with crystals.

WHAT WILL I GET OUT OF THIS SESSION?

During this session you will learn the basics of working with crystals and learn some tried and tested crystal magic techniques. After attending the session you will:

- Feel empowered to start working crystal magic!
- Have the basic knowledge of how to choose crystals and use them for various applications of magic and healing.
- Be filled with a new respect for the science and magic of the power of crystals for healing, meditation and manifestation.
