

# Workshop Outline

# MANIFESTATION

## WHAT IS IT ABOUT?

Manifestation is on everyone's lips... whether you know it as 'The Secret', the 'Law of Attraction' or simply the idea of creating your own reality and getting your wishes fulfilled, Manifestation is a process that you can learn, to take the reins of your life.

## WHO WILL LOVE IT?

Anyone, from teens to seniors, with an open mind and an interest in magical and mystical concepts. We will explore the practicalities of Manifestation in a light and engaging way, allowing you to see how the subtle art of Manifesting can enrich your life.

## WHAT WILL I GET OUT OF THIS SESSION?

During this session you will learn the basics of Manifestation and some tried and tested magical techniques to help you reach your own goals. After attending the session you will:

- Feel empowered to start your Manifestation journey.
- Have the confidence and enthusiasm to go after your goals and smash them!
- Be filled with a new respect and love for yourself and your own inner powers of creation.
