

Workshop Outline

PROTECTION MAGICKS

WHAT IS IT ABOUT?

This workshop explores some of the powerful magical practices and rituals which aim to harness protective energies to keep you shielded energetically, psychically and physically. If you are empathic, or have concerns about keeping your self, home or possessions protected, this workshop will serve you well in erecting your magical shields.

WHO WILL LOVE IT?

Anyone who wants to feel utterly empowered and harness the powers of Magick towards the interests of personal protection will benefit from this session. Please note - we must always honour the mundane as well as the magical. 'Protection Magick' will empower you to feel that all bases are covered in your personal protection, spiritual as well as material.

WHAT WILL I GET OUT OF THIS SESSION?

During this session you will explore some tried and tested magical/spiritual practices which promote psychic protection . After attending the session you will:

- Be armed with some effective 'Protective Magick' practices.
- Have the confidence and knowledge to use the practices that resonate with you to protect yourself and all that matters to you.
- Feel empowered as a true magical agent of protection - safe from psychic harm.
