

Workshop Outline

REIKI LEVEL TWO

WHAT IS IT ABOUT?

Usui Reiki is a safe, gentle, powerful healing modality that is easy to learn, and accessible to use. This one-day course will build on the knowledge you learned at Reiki Level One, introduce the Reiki Symbols, and equip you to heal other people (clients, patients) with Reiki energies.

WHO WILL LOVE IT?

Anyone who has trained and been attuned to Reiki Level One and feels called to extend their practice to a wider audience or to deliver Reiki healing professionally. This course includes attunement to Reiki Level Two and certification.

WHAT WILL I GET OUT OF THIS SESSION?

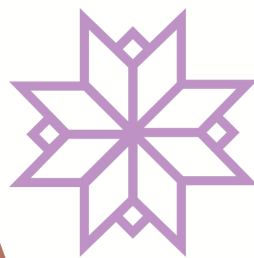

During this session you will build on what you learned at Reiki Level one, increasing your depth of Reiki knowledge and practice. After attending the session you will:

- Be attuned to Reiki Level Two and have eternal access to the Reiki Symbols.
- Have a deeper knowledge of how to use Reiki healing methods as a professional Reiki healer.
- Be empowered to continue your Reiki healing journey.
